## **James Andrew International advise on New York City office.**

James Andrew International are delighted to have jointly advised TLC Marketing on their new office on the 50<sup>th</sup> floor of 3 World Trade Center in New York City.

Mark Kleinman said: “With a construction boom in Manhattan, it’s a great time to take up new space in NYC.

If your company is looking for space in New York city, or anywhere in the United States, James Andrew International will be delighted to advise you on your acquisition”.

**Ends.**

Three World Trade Center, NYC.
