

Lifetime Achievement Award

Harvey Soning

Harvey Soning has been a true leader since his earliest days in property and founded James Andrew International in 1974, following the first part of his career at Peachey Property Corporation and Guardian Properties (Holdings).

Soning has been involved in many major property investment acquisitions, developments and disposals in the UK, Europe, the Middle East and the US over the past 40 years. Past deals include 2 & 4 Soho Place, the FT Building in Southwark, Sea Containers House on the South Bank and Heron Tower in Manhattan.

The impact he has made on property all over the world is incalculable and his influence has helped to drive the industry forward. *Property Week* is delighted to award him the Lifetime Achievement Award.

The judging panel said: "Harvey has been at the forefront of the property world for more than 40 years. There is no one more deserving of this Lifetime Achievement prize."
